

Winter Park Optimist Announces its 2011 Scholarship Program

Winter Park Optimist has announced its intention to award two scholarships to local high school seniors from the class of 2011. The club's directors have approved a scholarship program in which former participants of their baseball and softball programs can apply for a one thousand dollar scholarship to be used for the higher education program of their choice.

The scholarship is a need based award intended to help encourage two young people to improve their lives permanently by attending college now. The club's board will review applications and make the final decision regarding which applicants receive the awards.

Winter Park Optimist has been fortunate in receiving abundant support in the Wilmington Community since 1958. That support has been received in the form of volunteers, loyal Christmas tree customers, long-term participants in our sports programs and general support from our county residents and county government officials. We are very thankful for that support and we are very happy to be able to give back to our community in the form of this scholarship program.
