

Winter Park Optimist 2011 Scholarship Award

Program: Award two \$1,000 scholarships to a 2011 NHC graduating male and female.

Program Purpose: The WPO club intends to identify students whose ability to attend college or other secondary education is in question due to financial limitations. This program is designed to help encourage that student who is undecided in regards to college, to apply and attend. It is our hope that this program's encouragement will help make two additional successful community leaders of the future.

Guideline and eligibility requirements: This is a combined needs and merit based award for seniors from Laney, Hoggard, New Hanover, Ashley or Mosely High Schools. To be eligible for this scholarship award, the students must have participated in baseball or softball at Winter Park Optimist for at least one season (spring or fall) and they must plan to attend a secondary education institution in the fall of 2011.

Award Selection Criteria: The Board of WPO will select one male and one female graduating senior for this award. The selection for this award will be based on 1) the student's specific family circumstances and needs for assistance, 2) the student's High School academic performance, 3) the student's past positive contributions to the community, and 4) the student's post HS graduation plans.

Payment Details: This program is intended to be a tax free scholarship award. As such, it must be paid directly to the higher learning institution for the benefit of the winner. The payment(s) can be made over the course of time to ensure it is applied to tuition and fees associated with higher education.
